NOLECOM

# MANAGED PRINT SERVICES

**NOLECOM**, is a company founded in 2004 with the purpose of providing technical services with nationwide coverage on any type of print device. We are a firm, devoted to customers, that provide, through innovative products and solutions, a technological advantage and cost saving in the production of documents.

## COMMERCIAL AREA

It is composed of senior staff able to support the customer at every stage, from the analysis of the pre-existing situation, to the business needs and its specific needs.

## CUSTOMER SERVICE

Our back office is available to customers at any time and for any need. All operational activities are carried out at the headquarters.

## TECHNICAL AREA

Our technicians, certified by leading brands and constantly updated on new technologies, operates throughout the country in compliance with the agreed service levels.

## FULL RANGE OF PRINTING DEVICES AVAILABLE FOR MPS

We offer a full range of printing devices: printers, multifunction printers, plotters and printing equipment for the autoid sector.

## VENDOR PARTNER

We offer our customers the best equipment of the best brands.

Our offer may include devices from different vendors, with a unique common feature: high reliability, right performance and low costs.

## IT SOLUTIONS AND MOBILE PRINTING

We support you and guide you in the technological choices best suited to your growth.

Customized and innovative solutions, such as mobile printing, for printing from your mobile device.

## CONTRACT TYPE

We selectively replace devices and/or modify the number and when you want.

The fee includes all the services for: printing, leasing, assistance, consumables and support.

## CONTRACT LENGTH

It depends on you, we recommend a contract length compatible with the technological obsolescence of the products, to optimize saving.

**Contract length considered are 36, 48 e 60 months.**

## NEAR TO YOU WHEREVER YOU ARE

Wherever you are we are always at your side with the remote assistance.

Our help desk by telephone and/or web is close to you with a solid and lasting relationship.

YOUR ONE THOUGHT WILL BE...  
...BUY THE PAPER\*

\*BUT IF YOU WANT, WE ALSO SUPPLY IT!
